Forecast For East of England
Issued by Met Office Exeter
at 0400 on Wednesday 08 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright and sunny today, thundery tomorrow.

Today:
A clear, bright day across the region with prolonged sunny spells. Turning hazy later in the day with scattered cloud developing. Feeling very warm in the west with light southerly winds, cooler in the east. Maximum temperature 27 deg C (81 deg F).

Tonight:
Scattered cloud developing during the evening, gradually thickening up overnight with showers in the early hours of the morning. Mild overnight. Minimum temperature 17 deg C (63 deg F).

Thursday:
Showers continuing into the morning, quickly becoming widespread across the area. These showers may be heavy and thundery at times, continuing until late evening. Turning cooler. Maximum temperature 26 deg C (79 deg F).

Outlook for Friday to Sunday:
Isolated showers with a low risk of thunder on Friday. Drier on Saturday with sunny spells. Turning cloudy overnight and persisting on Sunday, but staying mostly dry. Temperatures near normal.
